

Make a New Friend Song

(Sing to the tune of 'I'm a Little Teapot'.)

If you're feeling lonely,
And quite sad,
Make a new friend,
And you'll be glad.
Give someone a smile,
Don't feel bad,
There is lots of fun to be had!
Making lots of new friends,
Every day.
Sharing the toys,
That's the way.
When they come on over,
You can say,
"Let's be friends and we can play!"
