

# Autumn Term

Dear Parents/Carers,

Welcome! I hope you and your child had a lovely Summer. Its been lovely getting to know your child and seeing them settle over the last week.

Here is some information about how Nursery works. Every half term we have a different topic. I will upload our knowledge organiser to the Nursery page on our school website with relevant information at the start of each half term, so please keep an eye out for this. Each week we have a focus story and nursery rhyme which is linked to our topic. In Nursery our inside and our outside classroom is set up so children have access to all seven areas of learning and can access these as they wish during busy time.

Each week your child will work with an adult to do focus tasks. They will also be engaging in daily whole class Phonics and Maths and weekly RE. Our topic for RE this half term is 'Creation'. You will receive an update weekly on Tapestry of your child's learning. Please like and comment. Feel free to upload any home learning your child does.

This half term our topic is 'Myself'. We will be exploring and celebrating all the great things about your child; their likes, their dislikes, their families and their traditions. As well as learning about our bodies and how to be healthy. We will also be learning about our feelings and emotions and how to express them in a healthy way.

Next half term our topic is 'Hello Winter!'. During the topic we will be exploring the world around us during Winter. We will study the changes of the trees and weather as well as exploring many books linked to this topic. The children will engage in lots of water play, and role play linked to this topic.

During this half term we will have an early years Nativity. As we lead up to Christmas your child will be enjoying lots of festive fun and activities.

Finally, and most importantly your child is special part of our Nursery family. If you have any questions or concerns, please do not hesitate to contact me via email or face to face at the classroom door after I have dismissed the class. I am here to help and will do my best to support you and your child with anything I can.

Kind regards

Mrs Crook
