

This Enormous Turnip

(Sing to the tune of 'This Old Man')

This old man, on the farm,
Pulled the turnip with his arm.
With a dig-dig, pull-pull,
It didn't move at all.

'Help me, someone!' the old man called.

This old man, and woman too,
Tried again now there were two.
With a dig-dig, pull-pull,
It didn't move at all.

'Help us, someone!' they both called.

This old pair, then tried four,
A boy and girl helped pull some more.
With a dig-dig, pull-pull,
It didn't move at all.

'Help us, someone!' they all called.

This whole gang, needed help,
A dog and cat pulled with a yelp.
With a dig-dig, pull-pull,
It didn't move at all.

'Help us, someone!' they all called.

This whole team, tried their best,
Then the mouse came from its nest.
With a dig-dig, pull-pull,
The whole team gave their all.

'There's the turnip!' they all called.
