

# 5 Superheroes Song

(Sing to the tune of '5 Little Ducks'.)

5 superheroes went walking one day,  
Down through the streets and far away.

One of them saw big waves ashore,  
He saved the day and then that left 4.

4 superheroes went walking one day,  
Down through the streets and far away.

One of them caught a falling tree,  
He saved the day and then that left 3.

3 superheroes went walking one day,  
Down through the streets and far away.

One of them said "I will help you."  
He saved the day and then that left 2.

2 superheroes went walking one day,  
Down through the streets and far away.

One saw bad guys go on the run,  
He saved the day and that left 1.

1 superhero went walking one day,  
Down through the streets and far away.

One saw some shadows on the sun,  
He saved the day and that left none.

No superheroes went walking one day,  
Down through the streets and far away.

Some people said "We can't survive!"  
They all called out and back came 5.
