

Super Superheroes Song

(Sing to the tune of 'Incy Wincy Spider'.)

Super superheroes are here to save the day.

These superheroes always find a way.

They fight the bad guys, they don't compromise.

Super superheroes among us in disguise.

Super superheroes are here to save the day.

These superheroes always find a way.

They save the people, cleaning up the street.

Super superheroes help everyone they meet.

Super superheroes are here to save the day.

These superheroes always find a way.

They rescue people, from the burning tower.

Super superheroes use their super power.
