

St Paul's Catholic Primary School

Headteacher: Mrs Katie Worton-Geer

"Our school is a place of learning, a place of love"

Tuesday 15th November 2022

Dear parents/carers,

I am delighted to be able to share with you our final OFSTED report from our inspection on the 11th and 12th October accompanying this cover letter. The report will also be accessible via the school website today and published on the official Ofsted report website, eight working days from today's date.

The outcome of the inspection is that St Paul's continues to be a **good** school. I am extremely proud of the report outcome and that the dedication and hard work from all the staff at St Paul's has been acknowledged to make St Paul's such a special place. In the report, the inspector comments on how our children support each other, respect all people that are different and respond positively to the high expectations for everyone to achieve well. I am extremely pleased that the report also highlights our ambitious curriculum, our wide range of opportunities to complement the curriculum and how teachers, supported by support staff, make lessons engaging and memorable. We are particularly proud of this as it recognises how we have carefully designed our curriculum to ensure our children build their knowledge over time.

I am pleased how the report recognised how we promote inclusion and diversity here at St Paul's and adapt our curriculum accordingly so all children achieve. We are immensely proud of our hardworking children who continue to make the most of the wide variety of opportunities they are offered. High quality teaching and learning would not be possible without a dedicated and caring staff, who work diligently to value and develop each child's individual skills and abilities. I am sure you will join me in thanking them for all their hard work.

The report itself is very detailed and highlights the many elements of effective provision at St Paul's as well as the next step needed to take the school forward. What is very reassuring is that the next step identified is already within our development plan prior to this inspection and the associated adaptations are being implemented within our curriculum delivery.

Please take the time to read the inspection report in full as it evidences how St Paul's is not only judged as Good by Ofsted, but one that continuously strives to improve and excel.

Finally, thank you to all our parents and carers for your support and commitment to the school and we thank parents who took the time to complete the questionnaire. Thank you also to our Governors who work so incredibly hard to ensure a high quality of provision for all as detailed in the report.

Yours sincerely,

Mrs Worton-Geer
Headteacher
